Roundup Ready 2 Xtend[®] Soybean

0.6 RM

Comments

- Suitable for narrow rows and light soil types
- Attractive variety with good standability

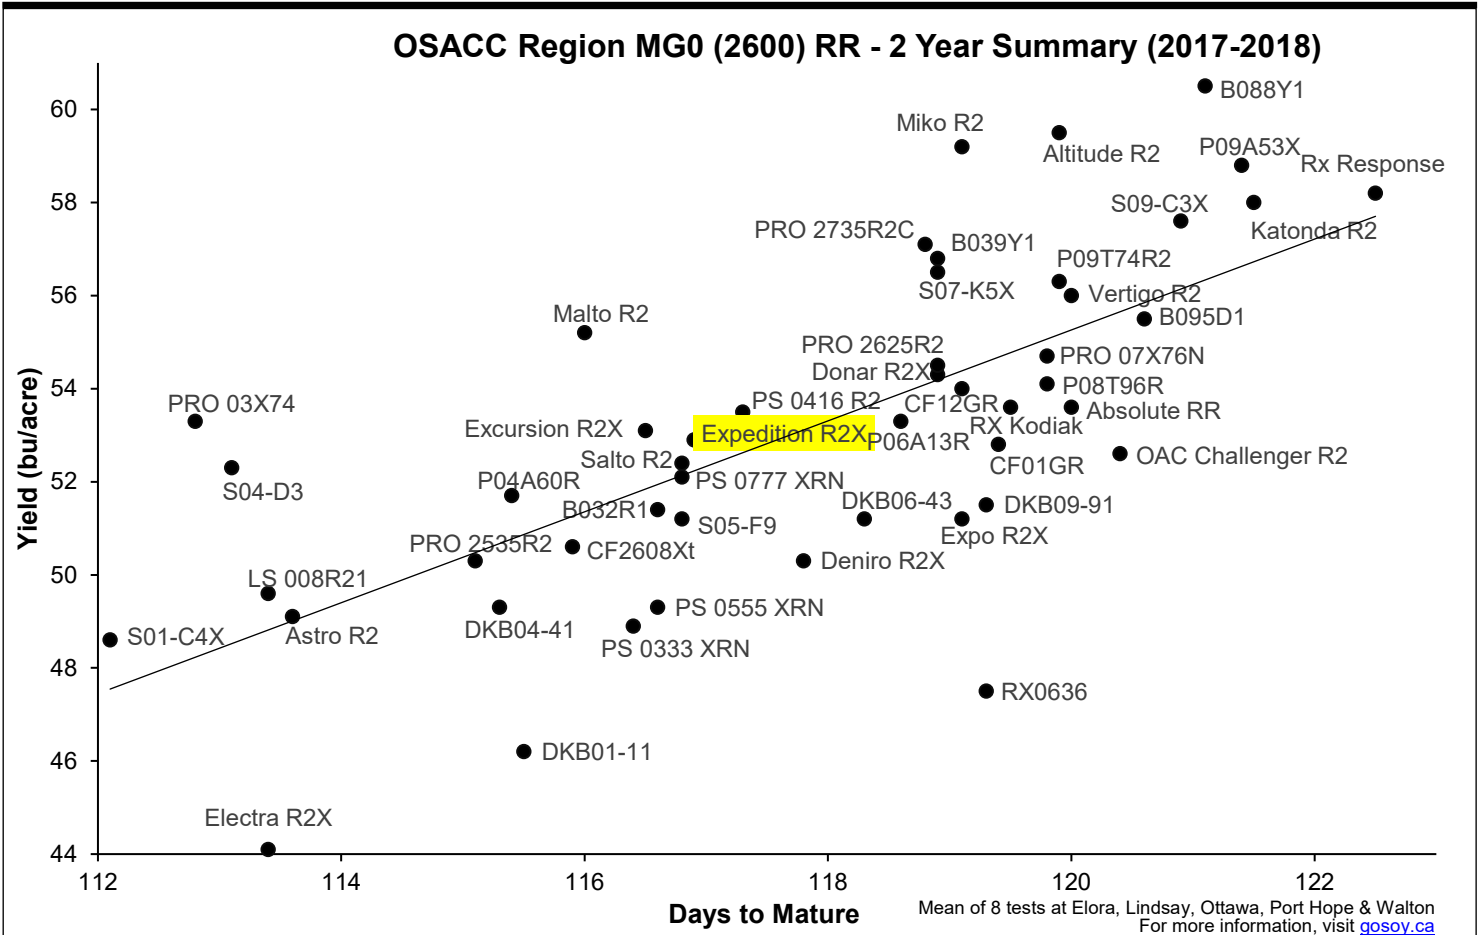

Characteristics

Trait	
	ROUNDUP READY 2 XTEND[®] SOYBEANS
Hilum colour	Gray
Plant height	Medium
Plant/ canopy type	Medium
Standability	Good

Disease & Management

White mold rating	Above average
SCN resistance	No
Phytophthora Root Rot resistance gene	None
Row width	7 - 30"
Soil type(s)	All
Tillage	Conventional & no-till

2018 Ontario Performance Trial Data

Monsanto Company is a member of Excellence Through Stewardship[®] Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. These products have been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from these products can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for these products. Excellence Through Stewardship[®] is a registered trademark of Excellence Through Stewardship. (ETS). **ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS.** Roundup Ready 2 Xtend[®] soybeans contain genes that confer tolerance to glyphosate and dicamba. Agricultural herbicides containing glyphosate will kill crops that are not tolerant to glyphosate, and those containing dicamba will kill crops that are not tolerant to dicamba. Contact your Bayer dealer or call the Bayer technical support line at 1-800-667-4944 for recommended Roundup Ready[®] Xtend Crop System weed control programs. Roundup Ready[®] technology contains genes that confer tolerance to glyphosate, an active ingredient in Roundup[®] brand agricultural herbicides. Agricultural herbicides containing glyphosate will kill crops that are not tolerant to glyphosate. Genuity[®], Roundup Ready 2 Xtend[®], Roundup Ready 2 Yield[®], and Roundup Ready[®] are registered trademarks of Bayer Group, Monsanto Canada ULC, licensee.
